

Dear Members par excellence and dedicated Students,

We are celebrating and joyfully marching ahead from one Diamond Jubilee to another Diamond Jubilee; Last year it was ICAI, and now it is our Sovereign Republic.

Tuticorin Branch has moved from strength to strength and we can not rest on the laurels achieved by our illustrious predecessors. We now desire to scale new heights through our committment and constant endeavours, which the whole world will acknowledge and appreciate that we rightly deserve.

The New Team is raring to go and promises to keep its 'rhythm' attuned to the need we are trying to fulfill, and we welcome your esteemed feedback. Let us unite and our Mantra be:

**Live to give and serve
Efforts never fail "Shine or Rain"**

**Large Hearts and Liberal Hands
With Care, We Share**

**Sweet words Sincere Deeds
Humanity our Priority**

**Pride in Membership, Friendship, Leadership
Vision and Innovation.
We Serve together with fellowship**

With Best Wishes

CA.H.Raman
